

To Whom It May Concern,

I am asking that the FCC reject the NAB's petition 04-160.
This is nothing more then the NAB's way of becoming a dictatorship.
Telling paying customers what they can and can not listen to is absurd.
This is not the American way and I hope to God that they will not be able to
control and dictate to the American paying public.

Thank you for you time and help,
Paul Sphikas
